Dear Sir:

Disclosure Statement Pursuant to 37 C.F.R. §1.56

In accordance with 37 C.F.R. §1.56 and 37 C.F.R. §1.98 we enclose:

1. Form PTO/SB/08 "Information Disclosure Statement by Applicant"; and
2. A legible copy of each patent, publication and other item of information in written form listed on the enclosed Form PTO/SB/08, except for copies of U.S. patents and published U.S. patent applications which are not required for applications filed after 30 June 2003.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present the relevant facts and law regarding the appropriate status of such documents.

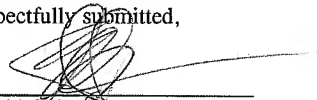

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Non-English Information

Pursuant to 37 C.F.R. §1.98, an English abstract of the listed German patent is attached to the enclosed copy of the German patent.

Respectfully submitted,

By:
